

Jason Griggs

Senior Vice President, Global Sales

Vision

At Workhuman, we passionately believe that a strong culture of recognition helps our customers and their employees find power and meaning in the work that they do. Organizations that leverage recognition have a significant competitive advantage in the marketplace with results that include higher employee engagement, improved productivity, and lower turnover.

In leading our global sales team, I see first-hand how collaborating with customers helps them understand these positive financial impacts that our solutions provide. Our team accelerates business growth, creating opportunities for organizations and their people to see the full potential and fulfillment of their work.

Expertise

- Scaling and growing sales organizations
- Helping sales teams quantify the value and impact of our solutions
- Consulting companies as they sustain rapid growth

Biography

Jason Griggs is the senior vice president of global sales at Workhuman. He is passionate about helping to fulfill the company's mission of improving the lives of employees through recognition and building stronger cultures within organizations. Jason leads his global sales team to help companies recognize the incredible impact that Workhuman will have on their employees and their organizations as a whole.

Prior to Workhuman, Jason spent ten years helping grow Workday, Inc., from a small startup to a leader in the HCM marketplace by leading several high-performing sales teams. Jason is a proud sponsor of New York's Inner-City Scholarship Fund and holds a Bachelor of Science degree in marketing from Northern Illinois University.
